Installation Description

- Mark out the area where the kick plate is to be fitted
- Pilot drill the various fixing holes
- Fix in to place using the security screws provided

Operation and Maintenance

Operation

Designed to give added protection to the foot of the door and to provide an easy-to-clean surface.

Maintenance

Periodic checks should be made to ensure the fixings remain tight and that they have not been tampered with.

Cleaning

Kick Plates should be cleaned using a non-abrasive sanitising agent. Abrasive cleaning cloth and agents should be avoided.

Guarantee

3 Year Guarantee*

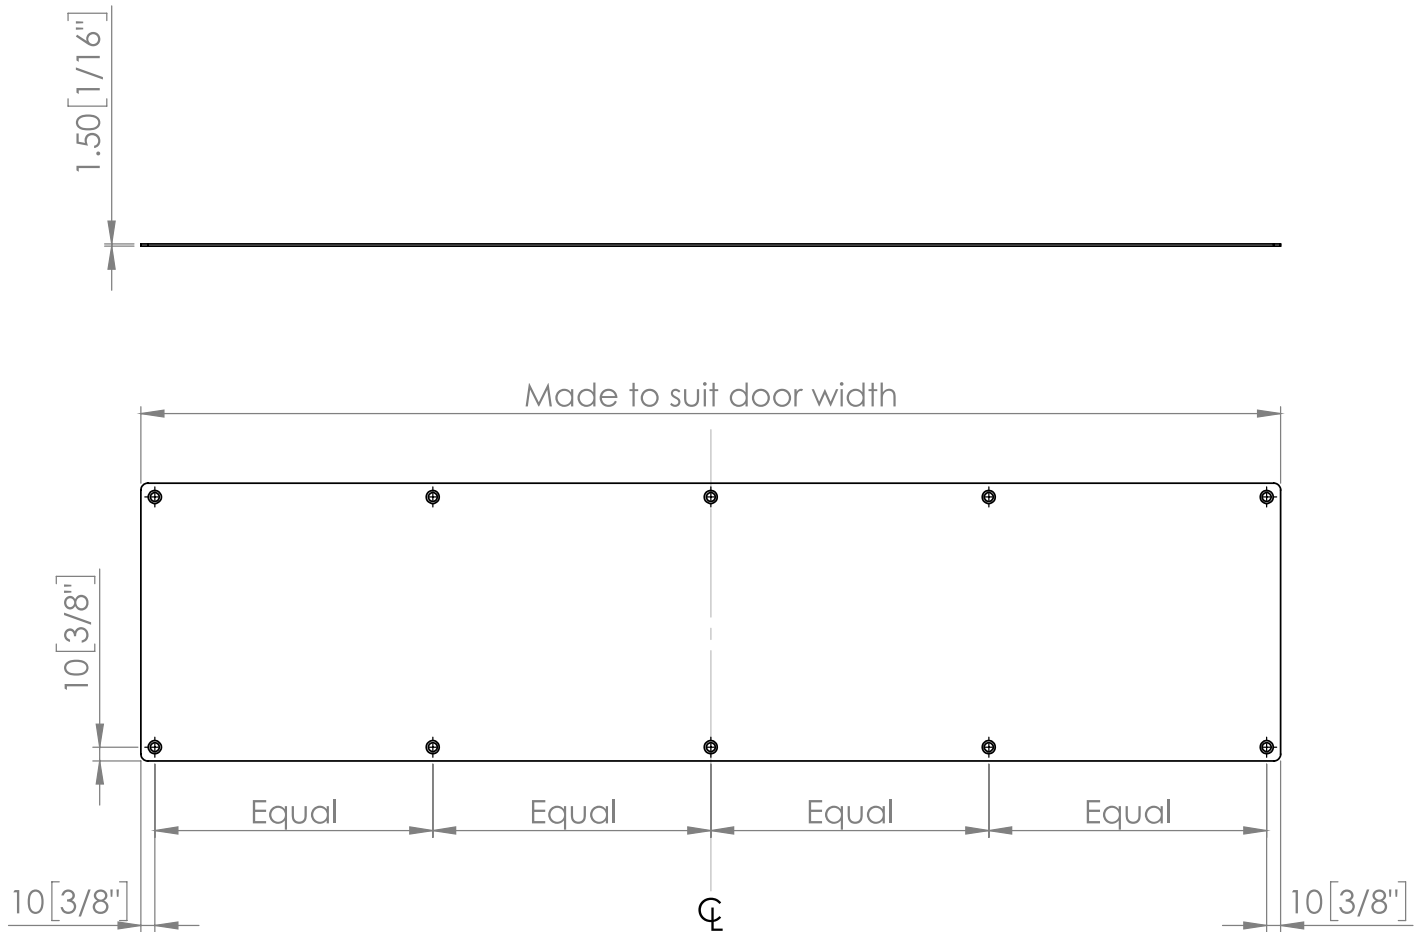

*For faulty manufacture and not for damage
