

PRODUCT DATASHEET

KG32 Easy Grip Pull Cabinet Handle

The KG32 is a compact, ligature-resistant cabinet pull handle designed for use in behavioral healthcare environments to minimize the risk of patient self-harm. The handle benefits from a stylish, non-institutional appearance and offers excellent grip while providing exceptional durability in challenging environments.

Installation Description

- Mark out the (2) 3/16" fixing holes as per the technical drawing
- Fix the handle in place using (2) M4 x 25mm security screws (provided), ensuring the handle is fitted securely with no gaps

Maintenance and Cleaning

Maintenance

Periodic checks should be made to ensure the handle is free from damage and any signs of tampering and that the fixings remain securely fastened.

Cleaning

Handles should be cleaned using a non-abrasive sanitizing agent. Abrasive cleaning cloth and agents should be avoided.

Guarantee

3 Year Guarantee*

*For faulty manufacture and not for damage
