Installation Description

- Mark out and remove the cut-out needed for the recess of the shelf
- Place the shelf in the cut-out and mark out the screw hole locations
- Drill holes for the provided screws and insert suitable anchors
- Secure the shelf to the wall using the security screws provided

We recommend that you apply pick-resistant security sealant around the perimeter of the unit.

Operation and Maintenance

Operation

Paper towels can be placed on the washroom shelf providing a robust and safe solution in high-risk areas.

Maintenance

Care should be taken to ensure that all screws are secure and free of signs of tampering.

Cleaning

Should be cleaned as part of regular schedule using mild (non-abrasive) detergents. Avoid acidic cleaners.

Warranty

1 Year Manufacturer's Defect Warranty*

*For faulty manufacture and not for damage
