## Installation Description

- Mark out and remove the cut-out needed for the recess of the shelf
- Place the shelf in the cut-out and mark out the screw hole locations
- Drill holes for the provided screws and insert suitable anchors
- Secure the shelf to the wall using the security screws provided

We recommend that you apply pick-resistant security sealant around the perimeter of the unit.

## Operation and Maintenance

### Operation

Paper towels can be placed on the washroom shelf providing a robust and safe solution in high-risk areas.

### Maintenance

Care should be taken to ensure that all screws are secure and free of signs of tampering.

### Cleaning

Should be cleaned as part of regular schedule using mild (non-abrasive) detergents. Avoid acidic cleaners.

## Guarantee

### 3 Year Guarantee\*

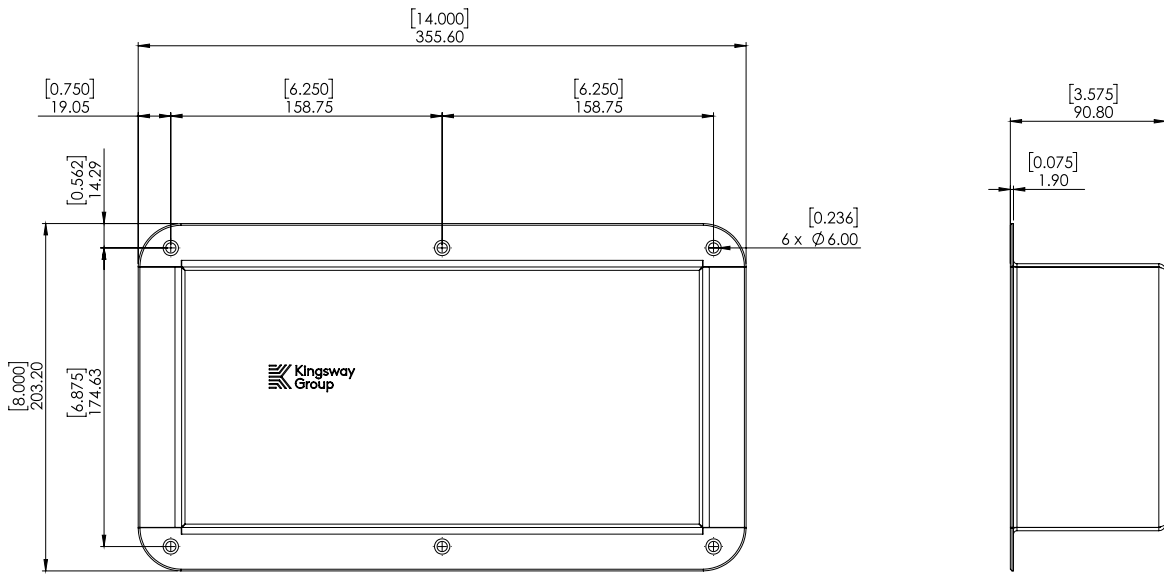

\*For faulty manufacture and not for damage
