Installation Description

- Mark out and remove the cut-out needed for the recess of the shelf
- Place the shelf in the cut-out and mark out for the fixing holes
- Drill and plug the holes and secure the shelf in place with the security screws provided

We recommend that you caulk around all sides with tamper proof security sealant.

Operation and Maintenance

Operation

Soap and other items can be placed on the washroom shelf and allowed to drain, providing a robust and safe solution.

Maintenance

Care should be taken to ensure that all screws are secure and free of signs of tampering.

Cleaning

Should be cleaned as part of regular schedule using mild (non-abrasive) detergents. Avoid acidic cleaners.

Guarantee

5 Year Guarantee*

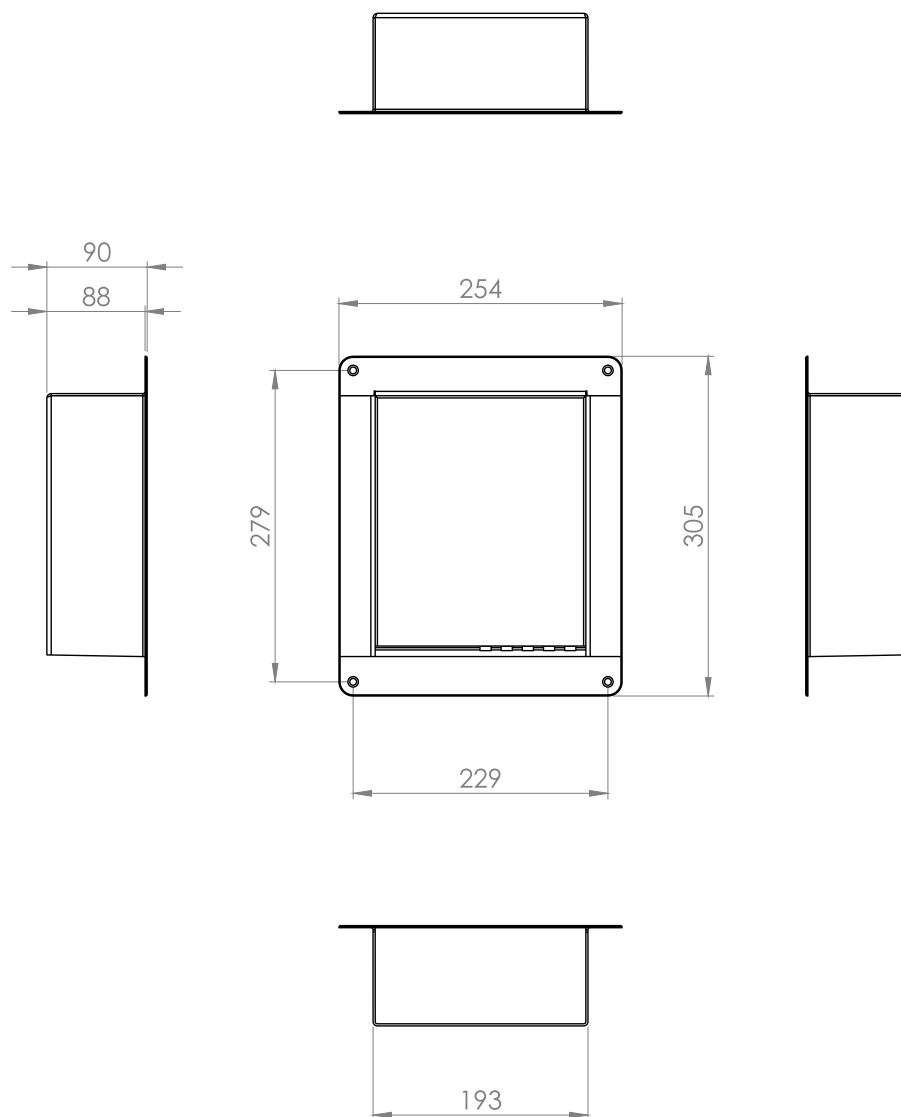

*For faulty manufacture and not for damage
