# Your Partner in Patient Safety

## Installation Description

- Mark out the two fixing holes by placing the handle on the door, making sure the face of the handle is flat on the door
- Drill the fixing holes using a 10mm bit
- Fix the handle in place using the 2 countersunk security bolts supplied

## Operation and Maintenance

### Operation

The Ergo Grip has been designed to allow fingers and thumb to pull on the 40mm wide front face with a finger clearance area of 20mm from the door face.

### Maintenance

Periodic checks should be made to the fixings to ensure they remain tight and that they have not been tampered with.

### Cleaning

Ergo Grip handles should be cleaned using a non-abrasive sanitising agent. Abrasive cleaning cloth and agents should be avoided.

## Guarantee

### 5 Year Guarantee\*

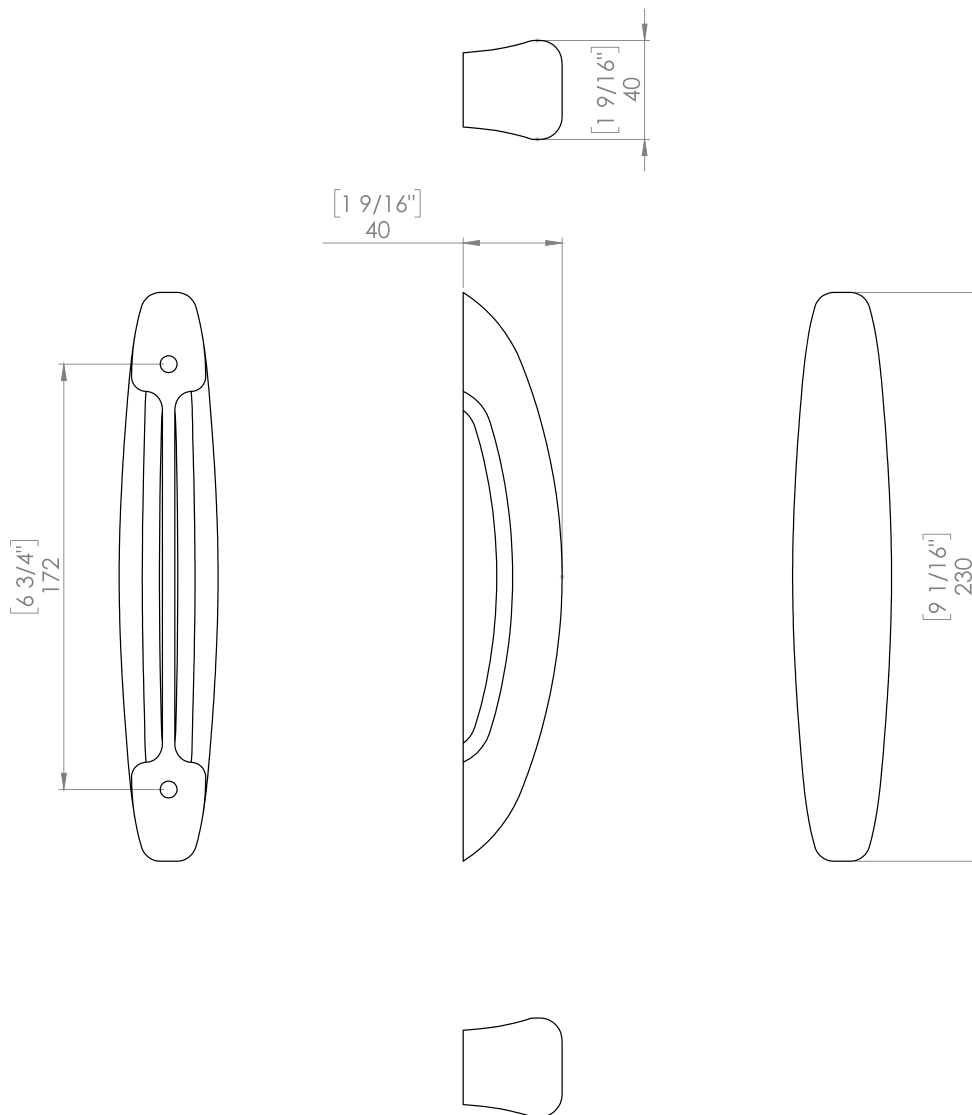

\*For faulty manufacture and not for damage
