

PRODUCT DATASHEET

KG01 KORE Toilet Tissue Dispenser

The KG01 is surface-mounted, secure-locking, ligature-resistant toilet tissue dispenser designed to minimize patient safety risks in behavioral health. It features a shaped top with smooth edges and is made from 14GA 316 grade stainless steel to provide a high-strength, durable and robust solution, ensuring suitability for use in the most challenging environments.

Terms and conditions:

Installation Description

- Place the dispenser on the wall and mark out the screw hole locations, making sure to allow room for the inner cassette to be lowered for refilling
- Drill holes for the provided screws and insert suitable anchors
- Secure the dispenser to the wall using the security screws provided

We recommend that you apply pick-resistant security sealant around the perimeter of the dispenser.

Operation and Maintenance

Operation

- To load the dispenser, support the inner cassette while unlocking then allow the cassette to slide down
- Fill the dispenser with suitable toilet tissue sheets
- Slide the inner cassette up into the closed position and lock the unit to secure

Compatible with toilet tissues to a maximum of 3 3/8" x 4 15/16" when folded.

Maintenance

Care should be taken to ensure the lock remains functional and free from signs of damage or tampering and that the screws remain secure. When necessary, lubricate the lock with a dry graphite lubricant. All Kingsway keyed dispensers use the same key.

Cleaning

Should be cleaned as part of regular schedule using mild (non-abrasive) detergents. Avoid acidic cleaners.

Warranty

1 Year Manufacturer's Defect Warranty*

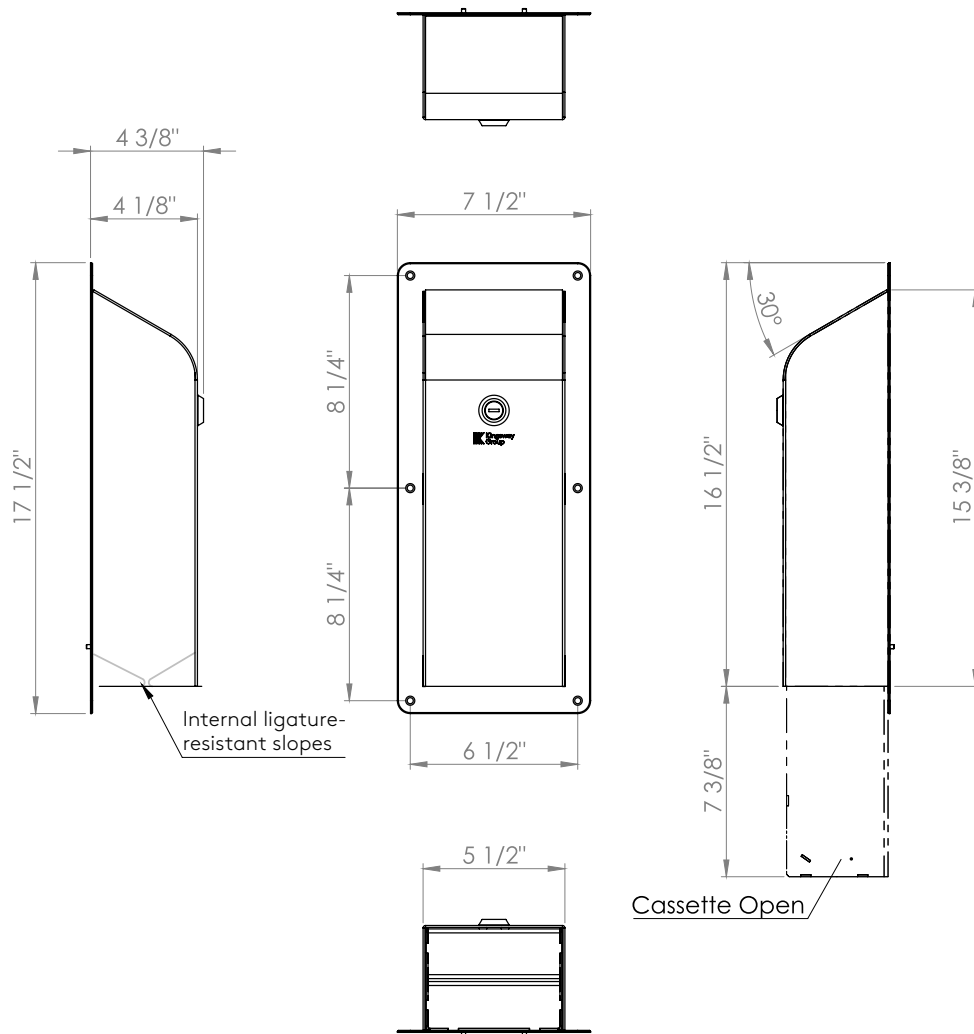

*For faulty manufacture and not for damage
