

PRODUCT DATASHEET

# KG32 Easy Grip Pull Cabinet Handle

The KG32 is a compact, ligature-resistant cabinet pull handle designed for use in behavioral healthcare environments to minimize the risk of patient self-harm. The handle benefits from a stylish, non-institutional appearance and offers excellent grip while providing exceptional durability in challenging environments.

# Your Partner in Patient Safety

## Installation Description

- Mark out the (2) 3/16" fixing holes as per the technical drawing
- Fix the handle in place using (2) M4 x 25mm security screws (provided), ensuring the handle is fitted securely with no gaps

## Maintenance and Cleaning

### Maintenance

Periodic checks should be made to ensure the handle is free from damage and any signs of tampering and that the fixings remain securely fastened.

### Cleaning

Handles should be cleaned using a non-abrasive sanitizing agent. Abrasive cleaning cloth and agents should be avoided.

## Warranty

### 1 Year Manufacturer's Defect Warranty\*

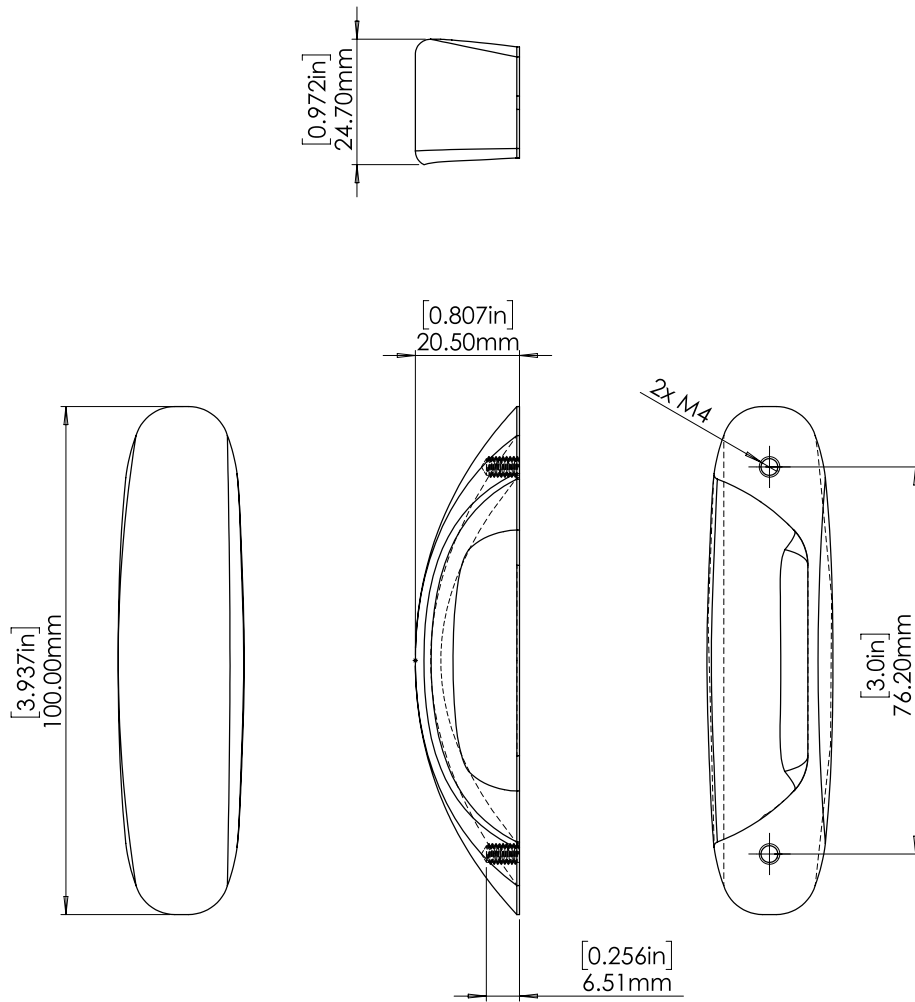

\*For faulty manufacture and not for damage
